to Newhouse Next Week, but Determination as to Running Through to Monpa, Nev.

California it is all "Balt Lake " that title being applied excluto the new road being built. It appropriate therefore to name ew train de tuxe which will run Chicago to Los Angeles the "Los les Limited." Such is the little that been suggested and as there is no train running to the coast that any title with the city of Los Anfeatured the new name will be acble in every way as the road is nctively a Los Angeles proposition. Los Angeles Limited of the Salt route" will be a strong advertisefor both cities and the name will with instant favor.

of the details to be worked out traffic department is the placing tickets in every coupon ticket ofn the United States. This is seema trifle, but when it is considered the Pennsylvania for instance has inds of stations and each one has supplied with tickets reading over ew line to Los Angeles, it can be tood what a task is before the tment in representing itself every. -President Clark said yesterday

the gap is rapidly being closed and about seventy-three miles remain a laid with track and about fortyles to be graded. As all the con to are let there can be no delay and not be long before the line b

ain service will be extended house next week, but Mr. Clark, a saked if trains would be put on to run through to Moapa, rethat it was a question yet to be de-ined upon. It is possible that somewill be decided upon in this relafter the trip of the officials to the t Prospectors and others are daily g to the front and much interest is in the matter.

## HARRIMAN HAS COAL.

#### He Get It Into Bingham and Below Provo on Rio Grande?

Denver Times starts another of a coal war between Gould and man, owing to the announcement the Tormer has had his coal shut of Oregon Short Line territory. it there is still another side of this n that has not yet been discussed

the papers when treating of the mat-Harriman has plenty of coal on Oregon Short Line and the Union offic. Can this coal be shipped into file. Can this coal be shipped into sham on the Rio Grande and along road east to Provo? The Harri-iargulment is to the effect that if to let Rio Grande coal into Short territory then why not let Short coal supply the people of Bing-and all along the Rio Grande clear

ry other road the same right. There no danger of a war, nor is there to any change in the situation. As long the Short Line can gurate. the Short Line can supply the de-id no other lignite will be allowed on line, which is the natural position any railroad to assume.
